

# Lakeland Reeds Bed & Breakfast

## Special Events Reservations

We've been hosting special events regularly at Lakeland Reeds Bed & Breakfast since we opened in 1983. Our grounds include ample lodgings for your entire party, many options for recreation for individuals as well as families, and a selection of outdoor spaces for a range of ceremonies and celebrations.

### Accommodations

With fold-out cots, our rooms sleep a total of 15 people. In addition, ample camping space is available.

### Food

Our kitchen can provide meals for your entire party. Unfortunately, we are not able to make our kitchen available to outside caterers. However, you are welcome to serve prepared food and to cook on our outdoor grills and fire pit.

### Making Reservations

A 20% non-refundable deposit secures your reservation. The remaining balance is due two months before the start of your reservation. If your reservation request is within two months of your event date, the entire balance is due with your reservation.

### Rates
